The latest downturn in Guatemala's economy is being credited to last year's worker's strike that caused rubber plants to shut down for a few months. Several key rubber manufacturing plants in the north were closed, which resulted in an economic slump in the areas surrounding the plants. The increased demand for rubber has raised prices of automotive tires sharply and affected overall consumer sales. Rubber manufacturing plants in the south, however, are benefiting significantly from the recent lack of competition.

Vienna Village is now accepting applications for Patient Service Aides. Applicants are asked to have a bachelor's degree in nursing, or four years experience as a medical assistant with a two year associate's degree, or at least four years of experience as a Certified Nurse's Aid without a degree. Experience in gerontology, caring for the elderly, and a bachelor's degree in nursing are preferred, as more duties could be assigned and minimal training would be required.

Question 10 of 11

[narration]

Hello, my name is Dylan Brown. I'm calling about the telemarketers from your company who keep calling me everyday. I was wondering if you could get me off your call list so that they would stop calling. The number that they use to call me is my office phone number so I like to keep it open for only important calls from my clients. I don't mean to be harsh or anything, but it seems like I have to pick up the phone all day because of your telemarketers. I would really appreciate it if I don't get anymore calls. My office number is 234-8888. Thank you.

In your response, be sure to

- show that you recognize the problem, and
- propose a way to deal with the problem.
